

# Tignes Le Lac (2100)

**Most snow sure resort in Europe:** 1200m to 3550m: 325Km's of piste, PLUS 100's kms of 'useable off-piste' on top (as it snows so much). Snow lasts until May (Summer skiing is also possible)

## Tignes Le Lac

Tignes le Lac is central Tignes! Tignes is one of the finest ski areas in Europe and linked to neighbouring Val d'Isère has a well earned 'Super Resort' status. Famous for its high altitude skiing and a snow record most other resorts can only dream of.

### Lifts/Slopes & Centre:

> Ski slopes 2 mins from chalet, a 2 min walk.

> Start of bars/shops, just 2 min walk from chalet. Tourist office 6-7 mins

### Lift passes

Book after initial reservation - we will send you details on how to book. Lift passes at the chalet for your arrival.

### Selling Points (Le Lac)

- High Altitude, ski resort. Super resort
- Pacquis and Chaudanne lifts give immediate access to some of the best skiing and boarding in the area, including Val D'Isere. Minimal queues on these lifts and less people.
- Beginners can ski back to the bottom of the Pacquis/Chaudanne chair lifts. This run is also a great homerun.

### Skiing, boarding levels

> **Beginner:** Very good: Easy green runs all over the resort, so you are not confined to lower nurseries..The central 'front de neiges' in Claret has ski school & nursery slopes - 100m from hotel

> **Intermediate:** Excellent: lots of blues & reds and easier powder runs. Wide pistes for carving and long runs down from glacier.

> **Advanced:** Tignes and Val' D get an enormous amount of snow, so inters and advanced have heaps of terrain off piste and on piste. Long, wide carving slopes and powdery snow so skiing is effortless! Excellent snow parks and 2 half pipes

### The ski terrain

> Good for all levels beginner to expert

> Wide, well-kept pistes, world class skiing and boarding

> Most snow sure resort in Europe (two glaciers). Season is from November to May.

There is even summer skiing on the glacier

> Fast lift system, so short wait-time in queues and less slope congestion = MORE Skiing!

### Night life:

Lots of apres-ski bars and late night pubs/clubs close to chalet (within a few mins).

### Shops/restaurants/cafes:

Some great ski and board shops in Tignes are within a short 5 min walk. Excellent cafes, steak restaurants, pizza and many other eateries for all tastes

**Non skiing / to do:** Le Lac is ideal for the non-skier as there's so much nearby: Shops, cafes, glacier walking (via funicular), Lagoon leisure complex (pool, wellness), husky rides, parapente, snowshoeing, Skidoo rental, bowling, cinema, cross country ski.
