Tignes (Val Claret) 2100m to 3550m:

Tignes & Val'D get an enormous amount of snow, so you have 100's of Km's 'usable off piste' on top of the standard 325 Km's of pisted trails. It makes it a very large area and all the terrain is in good shape and powdery, unlike many lower resorts

Lively Ski Village, highest in Tignes, always covered in snow.

Located in Val Claret centre, right on the slopes, has great ski shops and great bars and restaurants, (some of the best in Tignes). You really feel in the thick of the action with buzzing apres ski bars and ski slopes all around the hotel

Lifts/Slopes:

The ski slope runs to the small road in front of the hotel, simply cross over and walk 20 metres to the door. In the mornings, clip in outside the hotel and ski down to the funicular; or cross over the road and walk up the slope - 200 metres - to the Tuffs chairlift for access to the best Val D'Isere and Tignes slopes

Lift passes

Book after initial reservation - we will send you details on how to book. Pre-book lift passes with us and they will be at the chalet for your arrival.

Selling Points

- Ski to and from the door of the hotel
- The best shops/bars are near hotel & ski to door - you won't need a bus all week
- Tuffs chairlift 200 metres away - direct access to the best runs in Val D' & Tignes
- Val Claret is very nice as its always in the snow, very buzzy ski village
- Lots of ski and board shops (best in Tignes) and bars/cafes & great restaurants

Access to Val D'Isere & Glacier

Val Claret and Ski D'Or are perfectly positioned. You can choose to ski Tignes (just ski straight down from the hotel) or Val D'Isere by walking 200m up to the Tuffs chairlift. The funicular is a 5 min ski down from the door of the hotel. No walking or buses!

Skiing, boarding levels

> **Beginner:** Very good: Easy green runs all over the resort, so you are not confined to lower nurseries..The central 'front de neiges' in Claret has ski school & nursery slopes - 100m from hotel

> **Intermediate:** Excellent: lots of blues & reds and easier powder runs. Wide pistes for carving and long runs down from glacier.

> **Advanced:** Tignes and Val' D get an enormous amount of snow, so inters and advanced have heaps of terrain off piste and on piste. Long, wide carving slopes and powdery snow so skiing is effortless! Excellent snow parks and 2 half pipes

The ski terrain

> Good for all levels beginner to expert

> Wide, well-kept pistes, world class skiing and boarding

> Most snow sure resort in Europe (two glaciers). Season is from November to May. There is even summer skiing on the glacier

> Fast lift system, so short wait-time in queues and less slope congestion = MORE Skiing!

Night life:

Lots of apres-ski bars and late night pubs/clubs close to hotel. Hotel is slightly set back, so not so noisy. There's no need to travel far for bars!

Shops/restaurants/cafes:

Best ski and board shops in Tignes - many to choose from. Excellent cafes, steak restaurants, pizza and many other eateries for all tastes

Non skiing / to do: Val Claret is ideal for the non-skier as there's so much nearby:
